INSTRUCTIONS

1. Fasten front and rear plate brackets (A & B) to front bumper using the ¼" x 3¼" button head screw (1) and ¼" inch nut (3). See illustration.
2. Attach second set of front and rear brackets (A & B) to front bumper so that they are 7 inches apart from center to center.
3. Fasten license plate to license plate bracket with the two license plate screws provided.
