In the above chart, 'Premium' refers to original equipment Boston Acoustics®, Infinity® and Harmon-Kardon® Sound Systems installed in Chrysler LLC vehicles. If your car is already equipped with a Kicker® Sound System from the factory you can consider a Dual Subwoofer to enhance your listening experience.

KICKER AUDIO UPGRADES

A. Amplifiers

Anyone who's really into music knows one simple formula: More power = better performance. So if you're ready to upgrade your automotive sound system, you need Kicker amplifiers from Mopar! Kicker is the world's premier high-performance car stereo manufacturer, which is why you can depend on Kicker for all your automotive sound system needs. Kicker eight-channel amps are great for powering an entire sound system. Whatever your amp needs, Kicker has the power to move you with amp wattage ranging from 100-400. All Kicker amplifiers are designed and developed specifically for Chrysler, Jeep and Dodge vehicles, so installation is quick and easy. Power = performance, so if you're ready to power up your favorite ride, stop by your local Chrysler, Jeep or Dodge dealership and ask for Kicker amplifiers from Mopar.

KICKER AUDIO UPGRADES

A. Speaker Upgrades

Mopar now offers exclusive audio system upgrade components and packages for popular Chrysler, Jeep and Dodge vehicles from Kicker, the world's premier high-performance car audio manufacturer. When you're ready to get serious about your vehicle's sound system, you're ready for Kicker. Kicker virtually invented the high-performance car audio enclosure when the company's founder and president developed the original Kicker—the first full-range speaker box designed specifically for automotive use. Thanks to Mopar's association with Kicker, you can now upgrade your vehicle's factory speakers with high-quality two-way/three-way replacements. And best of all, Kicker speakers, Subwoofers, and Amplifiers have all been designed specifically for Chrysler, Jeep and Dodge vehicles, so you get automotive sound the way it was intended. Because Kicker speakers and upgrade packages have been designed specifically for your vehicle, they install quickly and easily. Are you ready for an automotive sound experience unlike any other? Then you're definitely ready for Kicker products from Mopar!

KICKER AUDIO UPGRADES

A. Subwoofers

Do you want your bass to boom? Then you need Kicker subwoofers and subwoofer enclosures from Mopar! Kicker is the world's premier high-performance car sound system manufacturer, so you know you're getting serious quality. Kicker subwoofers allow you to hear and feel the lowest bass frequencies that your main speakers just can't handle. Kicker's subwoofer enclosures are an easy bass upgrade. Custom-fit enclosed subwoofers are fully-loaded enclosures that are ideal for "stealth" installations or in situations where space is at a premium. Best of all, Kicker subwoofers are designed specifically for Chrysler, Dodge and Jeep vehicles, so you get the best possible bass performance plus quick and easy installation. If you want the best possible automotive sound experience, then discover Kicker car sound system products at your local Chrysler, Dodge or Jeep dealership. To sound the best you have to buy the best!
