

## 2" LIFT KITS NOW AVAILABLE FOR 2007-2009 WRANGLER, 4-DOOR & 2-DOOR MODELS

JK equipped with 2" Lift Kit and 35" diameter tires.

**Moderate lift, Maximum performance** - Most moderate JK lifts use coil spring spacers with the factory coil springs. With this method you get lift, but suspension extension travel (controlled by shock length) must be limited or the coil springs and spacers will unseat. Mopar's replacement coil spring lift allows as much suspension articulation as most 4" Lift Kits, resulting in amazing performance with minimal impact on vehicle center-of-gravity.

As you would expect from the Mopar Performance Design Team, nothing was left unattended.

### 2" Lift Kits Features:

- Lift Kits work with all 2007-2009 Wrangler vehicle systems including the Electronic Stability Program
- Ideally rated coil springs, combined with specially tuned Bilstein high-pressure monotube shock absorbers, provide unmatched ride quality and handling, both on-road and on the trails
- Yields all of the suspension articulation the JK platform has to offer
- Adjustable alignment cams (at lower link arms-to-axle attachment points) correct caster angle
- Front body / frame alignment corrected by an adjustable track bar; the rear is handled via a track bar relocation bracket with integrated brace
- Correct length sway bar links with greasable, factory type ends
- Brake hose and parking brake cable relocation brackets
- Replacement high-clearance, high capacity steering dampener kit

**New Limited Lifetime Warranty**

This system is covered by a Limited Lifetime Warranty, a Mopar® Performance “first”. In summary, the warranty covers all Mopar suspension components (no labor or freight), except those subject to normal wear, for as long as the original retail purchaser owns the vehicle the parts were originally installed on. The warrantor is the system manufacturer, not Mopar®, Chrysler LLC, or the dealership selling the product. Warranty details are supplied on next page.

**Complete 2” Lift Kit for 2007-2009  
Jeep Wrangler JK, 2WD or 4WD**

Part Number for 4-door JK	P5155207
Part Number for 2-door JK	P5155208

**Wheel and Tire Recommendations:**

Stock tires and / or wheels can be used. Ideal aftermarket wheel specifications are 17” Diameter x 9” Wide with 4.5” Back Spacing.

**Tire diameter:** 33” to 35”

**Tire Width:** No greater than 12.5” when used on stock wheels, or aftermarket wheels with stock Back Spacing (6.0”). Check wheel size recommendations of tire manufacturer. 13.5” width tires can be run with a 4.5” Back Space wheel, but some fender scrub may be experienced during full articulation.

**Wheel Diameter:** No less than 17”

**Wheel Width:** 7.5” (stock Rubicon) to 9”.

**Wheel Back Spacing:** 6” (stock) to 4.5” (preferred).

As Back Spacing dimension decreases, track width and stability increases.

**Installation Time:** 4 to 5 hours for a professional technician familiar with the installation.

**More Jeep® performance enhancing products will be introduced soon!**

All JKs equipped with 2” Lift Kits and 35” diameter tires.

## **Mopar® Performance Suspension Limited Lifetime Warranty by LKI Inc.**

Your warrantor is LKI Enterprises, Inc. (LKI). The entire product warranty process is handled by LKI, not by Chrysler LLC, any Jeep® vehicle dealership, or any Mopar® distributor or retailer.

This product is covered by the Limited Warranty explained below that gives you specific legal rights. This Limited Warranty is the only warranty LKI, or any other manufacturer, dealer or distributor makes in connection with your performance suspension accessories. Your performance suspension involves several unique WARNINGS, and installation of these parts may affect other portions of your Jeep® vehicle warranties... read carefully.

**What is covered?** Subject to the terms below, LKI will repair or replace its products found defective in materials or workmanship for so long as the original purchaser owns the vehicle on which the product was originally installed.

**What is not covered?** The addition of performance parts does not by itself void a vehicle's warranty. However, added performance parts (parts not originally supplied on the vehicle from the factory) are not covered by the vehicle's warranty, and any failure that they may cause is also not covered by the vehicle's warranty. Additionally, your LKI Limited Warranty does not cover products, parts or vehicles LKI determines to have been damaged by or subjected to:

- Alteration, modification or failure to maintain.
- Normal wear and tear (bushings, tie-rod ends, etc.). Scratches or defects in product finishes (powder coating, plating, etc.),
- Damage to or resulting from vehicle's electronic stability system, related components or other vehicle systems.
- Racing or other vehicle competitions or contests. Accidents, impact by rocks, trees, obstacles or other aspects of the environment.
- Theft, vandalism or other intentional damage.

**Remedy Limited to Repair / Replacement.** The exclusive remedy provided hereunder shall, upon LKI's inspection and at LKI's option, be either repair or replacement of product or parts covered under this Limited Warranty. Customers requesting warranty consideration should contact LKI by phone (1-800-551-4955) to obtain a Returned Goods Authorization number. All removal, installation and shipping costs are customer's responsibility.

If a replacement part is needed before the Mopar® part in question can be returned to LKI, you must first purchase the replacement part from LKI. Then, if the part in question is deemed warrantable, you will be credited / refunded by LKI.

### **Other Limitations - Exclusion of Damages - Your Rights Under State Law**

- Neither LKI, Chrysler LLC, nor your Jeep® or Mopar® dealer are responsible for any time loss, rental costs, or for any incidental, consequential or other damages you may have.
- This Limited Warranty gives you specific rights. You may also have other rights that vary from state to state. For example, while all implied warranties are disclaimed herein, any implied warranty required by law is limited to the terms of our Limited Lifetime Warranty as described above. Some states do not allow limitations of how long an implied warranty lasts and / or do not allow the exclusion or limitation of incidental or consequential damages, so the limitations and exclusions herein may not apply to you.
